

ANNUAL REPORT – 2022-23

I am happy to present the annual report at the 23nd school day celebration of our school, to appraise you of the mission and philosophy that M.S.S. Public School has materialised positively, in the day to day working and achieving excellence in the field of education. The School, owned and managed by M.S.S, started functioning in 2000. There are 1121 students, 54 teaching staff and 20 non teaching staff on the roll. Apart from preparing children to qualify for purely academic demands, special efforts are being made, continuously to enable them to face the challenges of the competitive world.

Along with imparting education to match the advancement in technology and globalization, we lead our children ahead with the ethics of moral values and principles upheld by M.S.S. We endeavour constantly to instill these qualities in our

children. We are proud of ourselves that we help them to grow and develop into responsible citizens of the next generation. The purpose of our education is that, every student who passes through the gateway of this school learns to be a good human, showing plenty of concern for the need of our nation. Many changes happened in the school, this year, in terms of expectations, communication, behaviour management, professional development, technology, and above all, academic activities.

ACADEMICS

Our students maintain very good standard in academics. Though we are following a holistic approach towards education, we are giving due importance to academics. For the 18th time we got 100% in class X and XII exams continuously with high scores. Our students performed excellently in various entrance examinations like JEE and NEET. They performed well in various competitive exams

also. The education system introduced by CBSE aims at the overall development of the children, emphasizing the need of a stress free, student friendly methodology of teaching. We try our level best to stick on this idea of teaching-learning process. We are always trying to create a child friendly and parent friendly atmosphere in the school. We are giving importance to environmental protection, energy conservation and charity through which students become socially responsible persons.

Pre and Post midterm exams and Midterm exams are conducted on time and progress reports are presented to parents in open houses. Nowadays, co-curricular activities are part of the curriculum and there is evaluation for them also. Remedial classes & special classes were arranged in regular school hours, for those who are in need of special attention. Special coaching class at night is also arranged for the Xth & XIIth students as a part of learning festival.

Fresher's day celebration for KG students was conducted, which welcomed them to a new atmosphere and made them happy and comfortable by giving balls and other gifts.

As a part of World Bicycle Day, an initiative was taken to motivate students to use bicycle for transportation whereby we can decrease the pollution. On June 3rd sweets were given to the students who came to school by cycle daily as a token of appreciation. A cycle rally was also conducted on the same day.

As part of environment day celebration on 5th June , 35 students along with teachers who are members of green club went on a study trip to V M K Botanical Garden, started by V. Muhammed Koya Vanamitra award winner. Students performed a dance invoking the goodness of nature. A dance sculpture was organised by the students.

School election was conducted on June 14th and Mithil Mohan of XIIth std was elected as the school Head boy and Iman Firoz of XIIth std was elected as the school Head girl. Investiture Ceremony was conducted on the next day.

As part of reading week celebration Vayalar's poem "Ravanaputhri" was screened in the assembly. Various programmes were conducted whereby students were made aware of the importance of reading. Famous writer Mr Banna Chennamangulure handled story telling session. It was highly motivating and children enjoyed a lot.

Carrier Guidance classes for students of class Xth & XIIth was conducted to motivate them and to take up a successful carrier and guide them in a most effective way.

A yoga class was held on June 21st, in connection with Yoga day, to make the students aware of the benefits of yoga.

Various clubs are functioning in our school. Club inauguration was done by Kozhikode sub collector V.Chelsa Sini. Students presented various programs under the guidance of science, maths, social science, literary, eco and traffic clubs. The green club members presented the guest with a non –toxic vegetable kit. The speech by the chief guest was a great motivation for the students.
